# **HANDS ON HENRY**

**14<sup>TH</sup> Annual Community Service Project  
Saturday April 21, 2012  
Sponsored by Leadership Henry 2011-2012**

Over the past 14 years, Leadership Henry has coordinated Hands on Henry, a hands-on-community service project held each April. The goal of this project is to promote volunteerism and provide service to those in need throughout Henry County. In 2011, over 2000 volunteers tackled painting, landscaping, cleaning and building repair at nearly 50 projects from schools to non-profit organizations to community parks.

Leadership Henry is a program of the Henry County Chamber of Commerce which develops leaders through educational classes of entities within the local community, including public safety, local government, economic development and much more. These individuals gain knowledge and skills to address challenges in our area and improve the quality of life for residents of Henry County.

We are extremely excited about the 2012 Hands of Henry day and are confident we will be able to help even more organizations throughout Henry County. Therefore, we need your support in keeping Henry County beautiful and to continue to make this a great place to live! Show your commitment by becoming a Hands on Henry sponsor and help support the efforts of our volunteers.

For your convenience, a sponsor registration form is included in this package. For more information about the 2012 Hands of Henry day, please contact Sharon Patterson at 404-597-9071.

Leadership Henry Class of 2012
